Access from home – Web of Science with Shibboleth

The image shows a sequence of three screenshots illustrating the login process for Thomson Reuters Web of Science from a home computer using Shibboleth authentication.

Step 1: The first screenshot shows the main login page. On the left, there is a "Sign In" form with fields for "Email address" and "Password", a "Remember me on this computer" checkbox, and a "Sign In" button. Below the button is a link for "Forgot Password?". On the right, the "Institutional Sign In" section is active, showing a "Select Institution" dropdown menu. The "German Higher Education and Research (DFN-AAI)" option is highlighted with a red box and a red circle containing the number 1.

Step 2: The second screenshot shows the "DFN-AAI" selection screen. It features the "DFN-AAI" and "DFN DEUTSCHES FORSCHUNGSNETZ" logos. Below the logos are links for "DFN-AAI", "Imprint", and "Data Privacy". The "Select your organisation" section contains a text input field "Enter the name of the organisation you are affiliated with..." and a "Select" button. A dropdown menu is open, listing various institutions. "Technische Universität Berlin" is highlighted with a red box and a red circle containing the number 2.

Step 3: The third screenshot shows the "Login to Thomson Reuters - Web of Knowledge and EndNote Web" dialog box. It contains fields for "TUB username" and "password", a "Clear prior granting of permission for release of your information to this service" checkbox, and a "Login" button. Below the fields, there are links for "Forgot your password?" and "Need Help?". A red circle containing the number 3 is positioned to the left of the dialog box.
