Work spaces in the TU Berlin libraries remain closed for use until 31 January 2021. Any changes thereafter will be communicated accordingly. The libraries continue to be open during their respective opening hours for you to order, borrow and collect media.

- In addition to our holdings of licenced e-books and e-journals, the primary search scope "All TU/UdK collections plus articles" also shows many journal articles. The "Show only" filter in the results list helps you locate online resources and open access publications.
- For TU members: To access licensed resources via VPN please use the server bib.vpn.tu-berlin.de.
- Information regarding loans and current services: <https://www.ub.tu-berlin.de/en/news/coronafaq/>
- TU members can request scans of journal articles and book chapters. Further information: <http://www.ub.tu-berlin.de/en/copy-service/>

Tip: The display of book holdings often includes a link to the table of contents at the bottom.

- **Search for printed and e-versions of books and journals in the TU Berlin/ UdK collections**
- **Search for articles: Use advanced search, search scope „only online ressources“, select articles as material type** (Attention: several hundred millions of articles, e-books, papers are provided by divers academic publishers , database is not clear ([list of collections](#))
 - Suggestion: use this as additional search besides a systematic search in literature databases like Business Source Complete, reduce high number of hits using filter)
- **Acces online content:**
 - On campus you have access via IP range → Log on to your library account is advantageous
 - Access from home via [VPN](#) or [Shibboleth](#)
